

MATERIAL DATA SAFETY SHEET

Sculpt Nouveau

Sculpt Nouveau
Traditional Brown Patinas

SECTION I - GENERAL INFORMATION

Manufacturer's Name: Sculpt Nouveau
Manufacturer's Street: 1991 Don Lee Pl # B
Manufacturer's City: Escondido
Manufacturer's State: California
Manufacturer's Zip: 92029
Manufacturer's Phone: 1-760-432-8242

SECTION II - INGREDIENTS

Non Hazardous ingredients and water

<u>DESCRIPTIONS</u>	<u>WEIGHT PERCENT</u>	<u>EXPOSURE LIMITS</u>
Hydrochloric Acid	9%	
Copper Salts	2%	
Water	Balance	Not Established

D.O.T. = Corrosive liquid Acidic, Inorganic, (Selenious & Phosphoric Acid)

Label - Corrosive

Packing Group 111 Class/ Division - 8

SECTION III - PHYSICAL DATA

Appearance: Odorless, Blue colored liquid

No unusual fire or explosion hazards

- **Boiling Point** (212° F)
- **Vapor Pressure** No data
- **Vapor Density (AIR=1):** Similar to water
- **Specific Gravity (Water=1):** 1.055
- **Percent Volatile by Volume** None except water
- **Evaporation Rate (Water=1):** Similar to water
- **Solubility in Water:** Complete
- **PH 100% 1.2**
- **PH 10% 1.5 – 1.8**
- Keep from freezing store in cool dry place
- Incompatibility materials to avoid Oxidizers Alkali's

SECTION IV - FIRE AND EXPLOSION HAZARD DATA

- **Flash Point** None
- **Flammable Limits:** N/A
- **Extinguishing Media:** NA
- **Special Fire Fighting Procedures:** NA
- **Unusual Fire and Explosion Hazards:** None

SECTION V - HEALTH HAZARD DATA

May cause redness or irritation to skin and eyes

- **Eye:** Irritation or possible burns upon direct contact
- **Skin:** Irritation and possible sensation with certain individuals
- **Inhalation:** Toxic fumes not generated normally. If sprayed, breathing mist can cause nose and throat irritation, headache, dizziness, nausea and difficulty breathing
- **Ingestion:** Irritation and possible burns to the gastrointestinal tract. Other symptoms include nausea vomiting, abdominal pain and difficulty breathing

First Aid Measures

- **Eye:** Wash with water for 15 minutes, seek medical attention
- **Skin:** Wash with soap and water
- **Inhalation:** N/A
- **Ingestion:** Give water, milk of magnesia, induce vomiting. Contact physician

SECTION VI - SPILL OR LEAK PROCEDURES

Steps to be taken in Case Material is Released or Spilled: Do not discharge into natural water, collect and treat as required.

Waste Disposal Method: In accordance with Federal, State and Local Regulations

SECTION VII - SPECIAL PROTECTION INFORMATION

Respiratory Protection (Specify Type): Use material in properly vented area
Ventilation:

- When spraying use NIOSH Canister for organics
- Eye Protection use NIOSH goggles or face shield
- Protective Gloves: Rubber :
- Other Protective Equipment: Rubber or plastic to prevent skin contact.
- Store in acid-resistant containers Keep containers covered when not in use
- Avoid storing with Oxidizers Alkali's
- Wear protective equipment when handling product

REGULATORY INFORMATION

This product contains (or may contain) trace amounts of metal salts or organic compounds that have been known to the state of California to cause cancer and birth defects or other reproductive harm
